**DECLARATION OF LOYALTY**

In March 1918, all men and women not in the service, aged 18 years and older were required to sign a card showing their Declaration of Loyalty to the United States. Statements included: name, residence, birth date and place, occupation and by whom employed, if unemployed-why, and citizenship. Birth dates are mid to late 1800's, with some prior to 1850. Not all cards were completely filled out, but contain information of value to people doing genealogical research.

The above information has been extracted from these cards and the names have been indexed by township. This information has been put into book form, and adjoining townships have been placed together for convenience.

The original cards are in the possession of the Warren County, Illinois Historical Society and may be seen at the Museum in Roseville, Illinois.
